

CITY COUNCIL HIGHLIGHTS

February 13, 2012

- 1) Council approved a liquor license for La Poblana. The business is moving from their current location at 14 N. Elizabeth to a new location at 413 North Main. Their off-premise sales privilege will remain the same.
- 2) Council authorized the Manager's signature to a land lease agreement with the Ed Lawrence Family. The lease is for an approximate 9 acre parcel of dry land farm ground located above Marie Dorian Park. The Ed Lawrence Family has leased the land from the City since 1966.
- 3) Ruth Ann Corrow was honored as February's City Employee of the Month last night before Council. Ruth Ann has been with the City since April of 1997 and has been promoted twice in her career with us. Her finite attention to detail and willingness to help fellow employees with payroll issues were complimented. Congratulations Ruth Ann!
- 4) Steven Patton from the Walla Walla Basin Watershed Council gave our Council an update on the various projects WWBWC will work on this coming year. For details on his presentation, check out Leanne's City Council minutes when they are available.

NOTE: All Council members were present.
