

**CITY OF MILTON-FREEWATER  
YOUTH REPRESENTATIVE ADVISORY COMMITTEE APPLICATION**

The City Council is seeking to provide Milton-Freewater youth with an active role in our local government through:

- Education and experience in actually serving on Milton-Freewater City Committees, Commissions, Council and Boards
- Creating opportunities for Milton-Freewater youth to not only learn how government works, but also creating a reciprocal relationship with our youth so our government leaders are learning from and listening to our youth as well about issues, concerns and ideas that they have.
- Paving the way for developing tomorrow's leaders today.

We are looking for young people currently enrolled at McLoughlin Union High School, or any high-school aged student actively seeking a diploma, to represent the youth of the community by serving on the City Council, Library Board, Budget Committee, Planning Commission or Recreation Committee. Applicants must be a junior or senior to apply for the City Council or Planning Commission. The Library Board, Budget Committee and Recreation Committee would be open to freshmen through senior applicants.
